Estatus legal:

You can:

- Create End Products for clients or personal projects
- Sell, license, sub-license or distribute and make any numbers of copies of the End Product.
- You may modify or manipulate the Item. You may combine the Item with other works and make a derivative work it. The resulting works are subject to the terms of this license.
- This is a 'multi-use' license, which means you may use an Item multiple times, in multiple projects.

You cannot:

- Re-distribute the item as stock image or it's source files, regardless of any modifications, under any circumstances. In other words, you cannot replicate or make modifications to the item and sell it on MouseCrafted or other marketplaces as your own.
- For any resalable web applications or software programs, you should not include our graphic resources as an additional attachment. This will be considered as a redistribution of our resources which is forbidden by us.
