

Es pot veure la presentació final del TFM a la següent URL:

The screenshot shows a Prezi presentation interface. At the top, there is a navigation bar with the Prezi logo and menu items: CREA, EXPLORA, APRENDE Y AYUDA, PRECIOS, ENTRA, and a blue button labeled COMIENZA. The main content area displays a 3D-style presentation titled "Gestió de documentació per a pacients de Cirurgia Major Ambulatoria". The presentation consists of several floating cards with text and diagrams, arranged in a circular pattern. Below the presentation, there are social media sharing options: "Hacer una copia", "Compartir", "Insertar", and "Me gusta". To the right, there is a "Público y reutilizable" icon. Below the sharing options, the title "TFM - Gestió de documentació per a pacients de Cirurgia Major Ambulatoria al CST" is displayed, followed by a short description: "Presentació tècnica del Treball Final del Màster Universitari en Enginyeria Informàtica de la UOC." and the author information: "de Lourdes Vaquero Ontivero el 12 de Enero de 2017". There is also a "Comentarios (0)" section with a note: "Por favor, entra para añadir tu comentario." and a link "Informar sobre uso indebido". On the right side, there is a "Más presentaciones de Lourdes Vaquero Ontivero" section with a thumbnail of the presentation.
