## About me

I'm a **Graphic and Product Designer** based in Zaragoza (Spain). I love Design in all its aspects, such as **Illustration, Photography, 3D Modelling or Project Management**.

I've worked in different Branding Projects over the last 2 years and I'm keen on continuing my career on this path. At University I have **excelled** in the field of **Product Rendering and Graphic Design**, achieving Qualification of Honor's in both subjects what gave me the opportunity to work in a Design Studio for four months as an Intern.
